

Order Your SMOGBUSTERS T-Shirt

**T-shirts are organic color-grown Sage Green or Natural Color
Silkscreened with nontoxic Planet Ink©!**

Buy the official 2002 SMOGBUSTERS organic T-shirt & support clean air & the American Lung Association. In past years, the Smogbusters Trek Team has raised thousands of dollars. This year you can help the team meet its fundraising goals & also get a great short sleeved T-shirt!

Sizes S, M, L, XL are \$15 and the 2X and 3X are \$18.

Select between Sage Green or Natural color.

The T-shirts can be customized with the name your Cal/EPA board, department or office name or Smogbusters' name printed on the sleeve!
(Stop by 20th floor, east side to see colors, sizes and T-shirt quality.)

What does organic color-grown cotton & Planet Ink© mean?

- The cotton is grown Sage Green in certified organic conditions—there is no dying process.
- No toxic water run-offs; soil quality not impacted.
- No solvents used that could harm worker health or cause possible skin irritability.
- No harsh chemicals, synthetic resins or preservatives ever added to Planet Ink©
- Any alternative to conventional growing, sewing and coloring of the tees is a major bonus to the environment, our waterways, soil quality and air quality.

Our Smogbusters' T-shirt is as clean as it gets!
